## Psychology topics

### A crisis of connection may be taking its toll

Most U.S. adults report feeling isolated and in need of more emotional support, according to APA's Stress in America survey

[\(/pubs/reports/stress-in-america/2025\)](#)

### Hate, bias, and intolerance: Antisemitism

APA unequivocally condemns antisemitism in all its forms, recognizing its painful impacts on mental health and well-being

[\(/about/apa/equity-diversity-inclusion/antisemitism-religious-hate\)](#)

### Misinformation and disinformation

Psychology helps us understand why we are likely to believe false information and how to guard against its effects

[\(/topics/journalism-facts/misinformation-disinformation\)](#)

# Public comment open: APA's Model Licensing Act

Proposed revisions would provide guidance on master's licensure and professional title provisions. **Add your comments by March 3.**
